

Winter 2025

Greetings from Honduras

As we look back on this year, our hearts are overflowing with gratitude for you. Your prayers, generosity, and faithful partnership have carried this ministry forward in ways seen and unseen. We never walk alone in the work God has entrusted to us—your encouragement and support make it possible for us to serve, love, and share hope in Honduras each day. Thank you for standing with us and for being such a meaningful part of this endeavor.

In 2025, over 100 pastors and church leaders studied in our training programs. In 2026, 35 of those students will enter the second of three years in our Mobile Bible Institute. Additionally, in the town of Belen Gualcho, a second group will begin that same program. Our Mobile Bible Institute program provides training in Bible and ministry with the purpose of creating pastors and church leaders who can carefully study the Bible for themselves and serve their communities out of a heart that loves God.

Our team in Honduras is also investing in a group of 20 leaders from 10 Lenca communities. This training has required us to adapt our methods to their academic and intellectual needs.

In 2026, plans are made to continue promoting community development in the villages where evangelistic and church planting efforts are taking place. In March, Shades Mountain Community Church (Birmingham, AL) will send their second medical team in as many years. Their service last year opened many doors for the gospel and this year we are expecting even greater results.

Learning to measure heart rate

Recently, we took an important step forward in our community development efforts with the support of a small team from Warren Church in Augusta, Georgia. In November, we held our first training session to equip seven individuals to serve as health promoters in their villages. During this time, they learned practical skills such as taking temperatures, measuring heart rates, and checking blood pressure—tools that will help them care for their neighbors with confidence and compassion.

Learning to take blood pressure

As we look ahead to 2026, we're deeply aware that none of this work moves forward without God's grace and the faithful prayers of partners like you. Your intercession strengthens our team, encourages local leaders, and prepares the soil for the gospel in every community we serve. With that in mind, we invite you to join us in praying specifically for the needs below, trusting that God will continue to multiply the impact of this ministry in the year to come.

Prayer matters

- 1. Pray for the 35 continuing students and the new Belen Gualcho cohort** as they enter the next year of the mobile Bible Institute—that God would deepen their love for Scripture, strengthen their perseverance, and equip them to shepherd their communities with wisdom and humility.
- 2. Pray for the 20 Lenca leaders** receiving Bible training, asking God to give them understanding, confidence, and unity as they grow in their ability to lead and serve their villages in ways that honor Christ.
- 3. Pray for the 7 Lenca leaders who received training as health promoters**, may they use these new skills to care for the dear people in their communities and open doors to share the gospel.
- 4. Pray for the upcoming medical and community development efforts**, including the Shades Mountain medical team and the newly trained health promoters—that their service would bring tangible care, build trust, and open wide the doors for gospel conversations in each community.
