Merry Christmas from Leo Arriaga in El Salvador

WORLD REACH®
Taking Christ to the Nations

The Lord Jesus Christ said, "Let the children come to me, do not stop them." (Mark 10:14) Part of my strategy to preach the Gospel to the communities in need in my area has been to provide the children with a Bible and to host activities with them. These activities encourage them to attend church.

To close out the year, we have had various evangelistic activities with snacks and pizza (something unusual in these rural areas). We have been able to impact many communities, and I have attached some pictures so you can rejoice with me as the Gospel was proclaimed.

And each day, more were added to the church, those who would be saved were baptized. (Acts 2:27)

In November, we had the opportunity to baptize two young people. They joined the others who have also taken this step of faith in their relationship with Christ, and have given public testimony of what God has done in their hearts.

December 2025

A place for the glory of God.

There is a school in the center of the city that does not have an auditorium to have their formal ceremonies. The school asked me if they could use the church building to have a kindergarten graduation. So, on November 7, the church was transformed by the school for this activity, allowing many family members to attend. It was a wonderful morning! I had the privilege to pray and bless the children, and to share the importance of raising their children in the fear of the Lord. This was an incredible opportunity, because as I have mentioned before, it is forbidden to preach the Gospel in the schools. We experienced the grace of God over us that day, and it was an effective way to impact the community.

We were also able to host 80 youths, from the same public school, for a spiritual retreat. We had games, served food, and I had the opportunity to preach the Gospel. It was truly a blessed time. The seed was sown by the preaching of the Word, and we hope in God that He will give the fruit in His time. The Family of Faith Church has become a place to bless the community. Glory to God.

You have been especially important to me because of your prayers as you have partnered with the work in El Salvador in 2025. This is the time to thank God for your lives and for what God has allowed us to do this year! May our God bless you as we celebrate the birth of Jesus.

Merry Christmas and Happy New Year,

Leo Arriaga
