SERVING IN COLOMBIA - FEBRUARY 2026

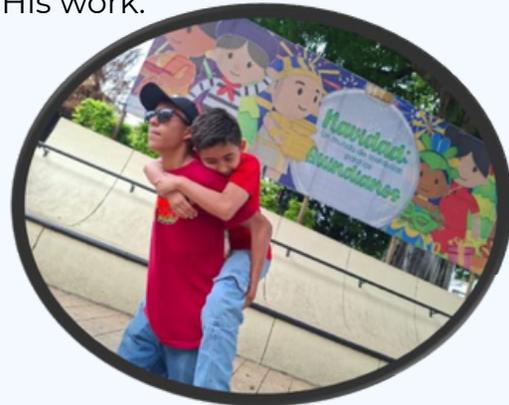

"For we are God's fellow workers. You are God's field, God's building."

1 Corinthians 3:9

A VISION OF FAMILY INTENTIONALITY

In January, our Colombia team met for a time of planning in Armenia. It has been a turning point for us. As a family, God is moving us toward a place of greater intentionality. We understand that 2026 is not just another year of work, but an opportunity for our presence in Colombia to be a strategic brick in the spiritual building He is erecting. We want every step our household takes to be aligned with the urgency of His work.

MINISTRY PLANS

Our Colombia team is designing the 2026 calendar for the four Bible Institutes, prioritizing the training of pastors and church leaders who not only receive knowledge but are also equipped to faithfully teach others. We seek the Lord's guidance to identify new Bible Institute sites in Colombia. A key pillar for this coming year will be the upcoming mission trip, taking students from the Medellin Bible institute class to serve in Urabá. This program aims to have students apply what they have learned directly in the field through evangelism.

With the support of our directors, Bobby Wilson and Brad Taylor, the Colombia team will focus on discipling the new volunteers God is calling to work with us, ensuring that the local team grows in purpose and service.

As Titus 3:14 challenges us, "And let our people learn to devote themselves to good works, so as to help cases of urgent need, and not be unfruitful." The goal is for our volunteers to learn to focus on what is vital so that the work is not fruitless. We are convinced that 2026 will mark the beginning of seeing mature workers sustaining the church in Colombia.

The Colombia Team

HOW CAN YOU COLLABORATE?

We cannot build this spiritual work by relying on our own strength. As God's co-workers, we understand that the planning for 2026 will only be effective if the Holy Spirit prepares the ground before us.
