Taking Christ to the Nations

SUMMER IN LIMA, PERU

WITH THE HUYHUA FAMILY

MARCH 2026

Beloved brothers and sisters,

It is a blessing to be able to share with you how we have seen God's goodness and provision in our ministry this summer here in Lima.

SUMMER CAMPS

We had four weeks of summer camps, starting with a week for children, which included 86 children. Then, we continued with a week for teenagers with 84 participants, followed by a week for young adults with 64 participants. We concluded with a week for children ages 5 to 8 with 92 participants. During these weeks, we taught the Word of God and

ministered to these lives that God and their parents had entrusted to us. It was a tiring time, but a satisfying one. Each week, on the last day, the parents would attend with their children and we shared the glorious Gospel of Christ with them. We saw the hand of God in everything, guiding us and taking care of us. For this reason we thank the Lord because He

took care, not only of us, but also of the campers. We thank God for His grace and care during these four weeks because each week many brothers and sisters in Christ supported us in this arduous task, committing themselves to serving the Lord with gratitude and enthusiasm. This, also, gave us the opportunity to minister to their lives and train them as future leaders of this summer ministry.

Evelyn oversaw the kitchen during camp. She had the help of some new sisters, and the Lord provided the opportunity to have devotional and prayer time each morning before they began cooking lunch and dinner for our campers.

Our sons, David and Nathan, also participated, not only as campers but as co-workers in this ministry, helping us and learning from their specific responsibilities. We pray that God will allow us to see the fruit of what was sown in them and fill us with joy from seeing God's transforming work in their lives.

EVANGELISTIC OUTREACH

With the arrival of the Twin Missions International medical team from the U.S., we had three days to go to various communities to share the Gospel while providing medical assistance. At each location, there were up to 120 people with whom God gave us the opportunity to talk about Jesus and His salvation. We give glory to our God for this privilege. In addition, we celebrated the 15th anniversary of Twin Missions partnering with us in medical missions. We had a night of gratitude to the Almighty God for His faithfulness, remembering and praising Him for bringing us together year after year, for the different doctors who gave their time to serve God by assisting people with medical needs and preaching His Word. We pray that this vision will never get lost and that the purpose will not be changed, the salvation of souls.

THANK YOU

We are grateful that the Almighty God has provided for our two children's school expenses in 2026. Brothers and sisters, we thank you for your prayers to God and your gifts. Thank you for having a generous heart! May the Lord reward your work and remember your support of our children. They have been blessed through you, and for this, we not only give thanks to God, but we also remember you before Him in prayer. Your support encourages us to continue seeking the kingdom of God and His righteousness.

PRAYER REQUESTS

- May God continue to open doors for us to continue the work of training and helping pastors and leaders in Peru and part of Colombia
- That we may be a faithful family in our relationship with Christ as spouses, parents, and servants
- Pray, also, for our eldest son, David Josias. God willing, he will be finishing school next year, and we desire God's guidance and clarity in his life concerning career and higher education decisions.
- Pray that God will give me wisdom, as I hope, in the future, to delegate my position over the youth groups to a newlywed couple in our church, Flavio and Silvana Espinoza-Garayar. May God confirm this transition and for it to go smoothly.
- Please pray for Flavio and Silvana, that God will guide and strengthen them as a newlywed couple,

Thank God again for each one of you, my beloved ones. May God continue showing His favor and goodness in your lives and families.

A big hug from us,

Bryan, Evelyn, David, and Nathan
