

Taking Christ to the Nations

NOEL & REINA GOMEZ

MISSIONARIES IN HONDURAS

MARCH - 2026

Dear fellow laborers,

It is a joy to reach out to you and share what God is doing in our midst. We have started the year with a very full schedule and much work to be done.

Local Church

In January, we were able to distribute school scholarships to more than 70 children in Balibrea. We thank you for your prayers and your support of this ministry. We also continue our children's soup kitchen with 45 children attending. As we have mentioned before, these children often bring siblings, cousins, or neighbors who are also in need of food. Please pray that God multiplies the funds for this ministry.

Discipleship and Training

This year, we began discipleship with two couples from our local church to equip them for ministry. Additionally, we have started advising and planning for the Education Ministry, which includes teacher training throughout the year. We are also looking forward to upcoming baptisms soon.

Training Church Musicians

In February we launched a two-year program at CFC Paso Hondo where children, youth, and adults can learn an instrument of their choice. Please pray for this new project, as it was born out of a need for musicians in the churches at both Paso Hondo and Balibrea. The instruments being taught include guitar, violin, piano, drums, and woodwinds. Teachers charge about \$23 monthly or \$275 per year per student, and we currently have 5 students enrolled. Would you please pray for funds to train church musicians?

Work in the Lenca Region

In January, we continued training Lenca leaders and formed the first committee to improve communication and development in the area. Please pray for these leaders; they are facing rejection from their families for following God and are being intimidated by enemies of the Gospel. Their livestock and crops have been targeted and harmed.

Despite this, God is moving! In February, 22 people were baptized. This was a beautiful milestone because the local leaders led the process entirely on their own, showing great spiritual growth. Praise God! There is already a group of over 30 people ready for the next baptisms planned for the first week of May. Please pray for the new converts in these mountain communities.

In March, we held a medical mission in the Lenca region. Many were treated, and more than 20 people accepted Christ. Praise God for His work among the Lenca people in Honduras!

Prayer Requests:

- Pray for our health.
- Pray for protection for us and the new Lenca leaders.
- Pray that God provides the necessary resources for our ministry and each project mentioned here.

In Christ,

Noel and Reina

New Lenca Construction and Education

This month, we are starting construction on a new building in the village of San Juan, where we are planting a church. Currently, a group of 60 people (adults and children) walks about two hours to attend service. This building will provide them with a closer place to worship and learn.

In the village of El Duraznal, we provided financial support for kindergarten children in 2025. This opened doors for us to carry the gospel into the public school, bringing the message of salvation to both children and parents. We hope to provide support again in 2026. The need is for \$4,588 to help cover one teacher's salary and also to provide snacks for 12 kindergarten children. Would you pray for this funding so that even more hearts would hear the good news?

Would you partner with us to provide the support we need to raise for the mission of World Reach to serve in Honduras?

- Go to world-reach.org/donate to give once or to set up a monthly recurring donation for the campaign "Gomez."
- Make a check payable to World Reach and mail it to the address below with a note indicating your preference for supporting the "Gomez ministry."
