Taking Christ to the Nations

Andres and Monica Acosta in Argentina

Dear Brothers and Sisters in Christ,

April 2026

We extend our heartfelt gratitude to each of you and greet you in the name of our Lord Jesus. We pray that you are well and finding joy in God in every moment. We thank God for allowing us to return to our more “normal” routines, both in ministry and within our families. We have faced challenging days due to various circumstances, and I would like to share these experiences with you.

Family:

Our third grandchild, Mathias, was born premature. Our daughter, Melissa, and her husband were not prepared. Mathias was due February 20, and he was born January 5. She arrived at the hospital for a check-up, and they told her she would have to be admitted. She and the baby (Mathias) were well cared for. We thank God that he is doing well in his development, maturity, and growth. Today we thank God for him and his good health.

Our daughter, Yamile, also gave birth to our fourth grandson, Noah. We thank God both mom and baby are doing well.

Ministry:

Monica and I thank God that He has given us many opportunities to teach the Word of God and preach the Gospel. Monica has many invitations to share in women’s Bible studies, and we praise God that many women have given their lives to Jesus.

Monica is also sending devotionals to women around the world.

We have been very busy with discipleship and counseling. I recently had the opportunity to preach the Gospel in a meeting with elderly gentlemen. I have also shared in various meetings with children and youth, including a Boy Scout meeting. In that meeting, I shared my testimony as a veteran of the Malvinas War.

I am currently teaching a Hermeneutics class in a Bible Institute in Córdoba.
