Ministering in the mountains of Peru

It's not common to find in our big cities people with such a hunger to learn and to know the Lord more

How many hours would you be willing to walk to hear God through the Scriptures?

These people travel for many hours on foot through the mountains to arrive and listen to the Scriptures; they don't have the comfort of a car or a motorcycle—they have to walk!

Dear brothers and sisters,

Not just an hour or two—even 4 or 5 hours. Just to learn about God

Some health problems

During this trip, I discovered I had serious problems with cholesterol and triglycerides, and that I couldn't eat any bread... guess what most of the breakfasts were! But the brothers there helped me, and each day they tried to cook what was best for my health.

It was hard and sad for me not to eat what they served on the table.

PRAYER REQUESTS

- **For a deeper love for God:** Please pray that we would have a love for God that is willing to “walk five hours for Him.”
- **For the fruit of the Word sown:** Please pray that God would bring lasting fruit from the Word that was sown during these days.
- **For the youth camp in June:** Please pray for the youth camp we are organizing in June, that God would guide every detail and work powerfully in the lives of the young people.

THANKS FOR YOUR SUPPORT

Thanksgiving for God’s provision

- We thank God for His faithful provision. He provided everything for our trip to the mountains of Peru.

My wife and I have experienced firsthand that it is truly worth seeking first the Kingdom of God and His righteousness, and all these things will be added to us.

- God has provided for our motorcicle, which has deeply moved our hearts and greatly encouraged us to continue serving the living God faithfully.
