

LEO ARRIAGA IN EL SALVADOR

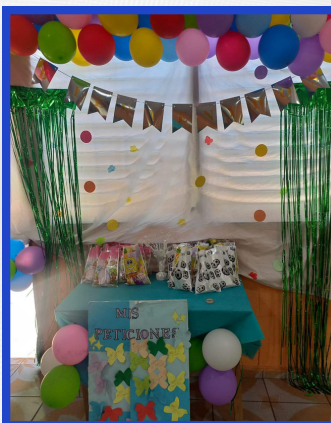

MAY 2026

I had the great privilege to be a part of the World Reach team that traveled to the Dominican Republic with the hope of opening a Bible Institute there. It was a good trip, and we met people with the desire to have this ministry in their country. We traveled to Bajo Haina, where we experienced more of the culture and spent time sharing with our brothers and sisters in Christ. Our gracious God has provided the opportunity to open a Bible Institute there: so that, we will be able to train pastors and leaders to expand the Gospel unto the ends of the earth.

I have continued to share the Gospel in the communities here in El Salvador and this has been fruitful these first few months of the year. There is a community called Sitio del Niño about 20 miles away from Santa Ana where we recently celebrated three months of studying the Word of God continuously. It's a small marker, but enough for us to have a celebration, with something to eat and sodas, as an encouragement and a blessing. We preached the Word of God and encouraged them to continue coming to church. We hope they will participate in future activities.

We recently had a one-day retreat for families at Family of Faith Church during spring break so we could share the Gospel here in the city. It was a fun day, and we were refreshed from the heat of the day with pools we set up in the parking lot. We ate together, enjoyed fellowship, and ended with a conference on family. We encouraged the parents to raise their children in the fear of God, journeying with them in all stages of life. We ended the evening with a bonfire. We gave space for each of us to dedicate our lives to God.

PRAYER REQUESTS:

- My upcoming plans are to travel to Puerto Inirida in southern Colombia near the Amazon jungle. I will be teaching on the Church and Its Mission. The students are pastors and leaders who will be trained so they can train others and take the Gospel into other regions in southern Colombia. I will then travel to Medellin where I will preach in some churches in that city. Pray God's grace and mercy go with me.
- To train leaders in our church Family of Faith has not been easy as of late. Please pray that God will send workers.
- Please pray for health

Thank you for your prayers and your support for my life and ministry in this part of the world.
